

# Hart Nine Wins Championship For 2nd Year

Pictured above are the Hartnell Panthers who won the conference championship, Saturday, at East Contra Costa (See Sports Page for Story)

## PANTHER SENTINEL

Volume XXIII

Salinas, California, Friday, May 14, 1954

Number 21

### Mr. Willard Aston Will Speak In San Francisco

Willard Aston, 33-year-old Hartnell College student, will represent the Central California area of the Native Daughters of the Golden West in the finals of the junior college public speaking contest to be held by that organization in San Francisco, June 22.

Mr. Aston represents this area as a result of his victory at the area contest held at Fresno last week. Aston's topic was "Walter Colton." In the Central California area contest Mr. Aston competed against six other contestants. This is the first time a student from Hartnell has ever entered the contest. Mr. Aston won the Salinas area contest and received a \$10 award earlier this year. At Fresno he received a \$50 award.

According to Hal Ulrici, drama and speech instructor at Hartnell, Mr. Aston will be one of four finalists in the statewide contest conducted by the Native Daughters of the Golden West.

Mrs. Elmarie H. Dyke, state chairman of the Native Daughters of the Golden West speaking contest, stated that Mr. Aston will face area winners from northern California, southern California, and southwestern California.

The final speaking contest will be held June 22, at the San Francisco Scottish Rite Auditorium, during the Grand Parlor of the Native Daughters. This is the annual conference of the organization, at

which time the grand officers of the Native Sons will be entertained and will also be platform guests at the time of the contest.

Hartnell student Willard Aston will seek a grand prize of \$150 in the finals.

### "Harvey" Coming

"Harvey" will be presented by the Community Players on May 20, 21, and 22, Thursday, Friday, and Saturday nights of next week.

The cast includes Gloria Rust, Mary Ann Baldwin, Jim Maloney, and Ann Newkirk of Hartnell.

The entire cast is as follows: Myrtle Mae Simmons, Gloria Rust; Veta Louise Simmons, Elizabeth Elwood Dowd, Ray Wilson; Mrs. Ethel Chausenet, Eileen Volpatti; Ruth Kelley, Mary Ann Baldwin; Duane Wilson, George Jenssinnan;

Lyman Sanderson, Jim Maloney; William Chumley, Troy Banks; Betty Chumley, Ann Newkirk; Judge Gaffney, Alan Lowell; and E. J. Lofgen, Ann Newkirk.

### Spring Prom Is Coming Event

Esther Williams, commissioner of social activities, in charge of the spring prom, has announced the facts concerning the prom.

It will be held May 29 at the Hotel San Carlos Ballroom in Monterey. Doris Simon, in charge of bids, announces that bids will go on sale on May 12 and the price will probably be \$4.00.

"Pink Champagne" is the theme for this prom, says Georgann Grossi of the decoration committee.

Music for the Spring Prom will be provided by the "Star Dusters." There will be five hours of dining and dancing with the hours set at a tentative 8 to 1.

The dress will be formal attire. The dinner will consist of a ham dinner with soup, salad, dessert, and a beverage.

The general committee members are Sue Crawford, Linda Lawrence, and Cloyse Little.

### A. G. S. TRIP TO S. F. PLANNED

Alpha Gamma Sigma is planning a trip to San Francisco, Wednesday, May 19, to see the musical comedy, "Brigadoon," at the Curran Theater.

Twenty students have signed up for the trip and private cars are needed. Shirley Skelton and Charles Collins are in charge of the arrangements with Mr. Johnston as their advisor.

### Choir On Spring Tour

Another performance by the Hartnell choir on its annual spring tour was made Wednesday at Gonzales and King City.

At Gonzales, the concert consisted of seven selections by the choir, and three additional numbers by the Madrigal

Singers. The program included: Create in Me, Johannes Brahms; Psalm 150, Cesar Franck; Nunc Dimittis, A. Gretchaninof; Hospodi Pomilui, G. Lvovsky; Anywhere I Wander, Frank Loesser; I Whistle a Happy Tune, Richard Rogers; and Gloria from the Twelfth Mass, Wolfgang A. Mozart.

The Madrigal Singers sang: O Occhi Manza Mia, Orlando di Lasso; April Is in My Mistress' Face, Thomas Morley; Reveye Venir du Printans, Claudes le Jeune.

Following the concert the choir was the guest of the Gonzales students at lunch.

The program at King City was the same as the morning performance. The arrangements for the appearance at King City were made by John Lewis, principal, and Wesley Wilner, music instructor.

Soloists for both performances were Margaret Ellis, soprano, and a duet by Sylvia Lewis and Don Halterman.

### Students Given Reduced Rates

One of the most discussed and eagerly awaited motion pictures of special importance to college students is coming to Salinas Sunday.

M.G.M.'s dramatic filmization of one of William Shakespeare's greatest plays, "Julius Caesar," has been set for exclusive area engagement at the El Rey Theater the week of May 16. In announcing the production, the local theater has also advised that there will be no other showings of "Julius Caesar" in the tri-county area again until fall.

"Julius Caesar" stars Marlon Brando, essaying his first Shakesperian characterization as Marc Antony. The brilliant cast includes James Mason, John Gielgud, Louis Calhern, Edmond O'Brien, and Deborah Kerr.

To make "Julius Caesar" available to all college students at a modest admission, El Rey Theater has arranged a special "Student rate." The special rate is 50 cents for students only. Coupons entitling students to the rate may be obtained at the school office.

### La Reata Cards Lost

La Reata cards, numbers 62, 95, and 290, have been reported lost either by the student who sold the card or the student who bought it. Until they are found, the cards with those numbers are voided. Anyone finding these cards please turn them into the main office.

### Gilroy H. S. Visits Here

Recently attending Hartnell College as visitors were the seniors from Gilroy Union High School. Coming here in buses, and arriving at about 10 o'clock, the visitors were given a talk by Mr. J. B. Lemos and Mr. McCallum, and then were taken around the college by student guides.

After being shown around the campus, they were given free box lunches, and then took a tour of the school of agriculture and mechanics.

## THE EDITOR'S VIEWS

By DARRELL RAINES

The sophomore class should be very ashamed of the fact that the Soph Skit had to be cancelled because of a lack of interest on the part of the students. Granted that most of the sophomores are busy trying to pass their classes so that they can graduate, but surely there must be enough free time among all of the students in the sophomore class to get up a respectable skit. The appointed chairmen of the committees and the general coordinator are apparently not at fault—it was the rest of the class who couldn't be bothered.

By the time this paper is printed the candidates for the '54-'55 student body offices will have given their speeches before the students, and campaigning will be well under way. It is to be hoped that the mixup last time will enliven the students and make this a good campaign—with lots of voters in the election. Don't let someone else run your business, get out and vote for the person who will represent YOU!—D. E. R.

The following is a guest editorial by one of the staff members who has been in charge of arranging for the formation of a journalism club at Hartnell:

The students of Hartnell's graduating class of journalism wish to extend to Mrs. Esther R. Davis, G.D.U. advisor of Valley Junior College, a sincere and solid vote of thanks for her untiring efforts in trying to assist them in the formation of a local chapter of Gamma Delta Upsilon, journalism honorary fraternity.

The fact that Gamma Delta Upsilon's national secretary has completely ignored our existence in no way detracts from our praise of Mrs. Davis, and we wish to take this opportunity to tell her that while the class of 1953 will go forth to seek fame and fortune without fraternity honors, each member will always hold in high esteem her endeavors in our behalf.

We refrain from any expression regarding Gamma Delta Upsilon, national. — J. R. I.

## Final Exam Schedule

Date — Time	Examination —
FRIDAY, JUNE 4 —	
1 - 5	All Hygiene Classes
MONDAY, JUNE 7 —	
8 - 10	TTh 2, TThF 2, MTTh 2
10 - 12	Daily 2 MWF 2
1 - 3	Daily 3, MWF 3
3 - 5	TTh 3, TThF 3, MTTh 3
TUESDAY JUNE 8 —	
8 - 10	TTh 8, TThF 8, MTTh 8
10 - 12	Daily 8, MWF 8
1 - 3	Daily 9, MWF 9
3 - 5	TTh 9, TThF 9, MTTh 9
WEDNESDAY, JUNE 9 —	
8 - 10	TTh 10, TThF 10, MTTh 10
10 - 12	Daily 10, MWF 10
1 - 3	Daily 11, MWF 11
3 - 5	TTh 11, TThF 11, MTTh 11
THURSDAY, JUNE 10 —	
8 - 10	Daily 1, MWF 1
10 - 12	TTh 1, TThF 1, MTTh 1
1 - 3	Daily 12, MWF 12, M 12
3 - 4	TTh 12 Th 12
FRIDAY JUNE 11 —	
9 - 4	Students file check-out slips in office and leave self-addressed stamped envelope for grade cards
9 - 12	Graduates rehearse for commencement in Men's Gym
11 - 12	Faculty rehearses for commencement in Men's Gym
1 - 4	Faculty check in grade-sheets and reports
7:00 P.M.	Graduates assemble for commencement procession
8:00 P.M.	Commencement Exercises
10:00 P.M.	Reception for Graduates in Library
10:30 P.M.	Dance honoring Graduates in Women's Gymnasium

## CLUB NEWS

By ALICE SAMS

All of the clubs around the campus are busy, and planning many activities for their members.

The Newman Club with Dean Larkin as president is planning a party for May 31. The plans were discussed on Tuesday.

The Westminster Club held a luncheon at the United Presbyterian Church in Salinas on Thursday. This was the last meeting for the club this year.

Alpha Gamma Sigma members will make a spring excursion to San Francisco on May 19 to see the stage play, "Brigadoon," at the Curran Theater.

The Art Club is preparing to give a \$100 scholarship to one of its members at the end of May. The club raised the funds themselves, and will present the money to the winner of a contest held within the club.

## Out Of The Suggestion Box

In reply to the question of whether the Student Commission should receive pins as an award for their services, here are some statements from members of the student body:

Dear Sir:

I think that it would be a good idea for all commission members to receive pins for their services to the student body of this college. I think that any student should feel greatly honored to be able to look at one of our commission members and say, "I helped to give that pin."—Anonymous.

Sir:

It is a fine idea that our dear commissioners receive pins for their loyal contributions to this fair school during this fair year. The student body would feel honored to pay for these small tokens of appreciation awarded to this fine, upright, functional, and progressive organization.

With greatest respect,

ANNY

To whom it may concern:

Commission members should have some pins or some award. They earn them.

A STUDENT

To whom it may concern:

I think the commissioners should be awarded pins for their service to the school. They do as much good, or harm, as the case may be, as does the football or basketball team for the school. Not only have the athletes given up time for their practice and traveling, but I realize that the commissioners have suffered a loss in grades because they are serving so much. As a S.B. member I am please to say that I support the cause of commission pins to be paid for by the student body funds.

Good luck, commissioners,

A FRESHMAN

Dear S. B.:

I think they should receive pins but not blocks, jackets, or sweaters.

A. S. B. M.

Dear Sir:

I think the commission members deserve awards—it would be an extra incentive and a small sign of

## Announcements Are Given Free

Graduating sophomores may pick up their eight free graduation announcements at the main administration office.

The announcements will be available to the graduates until the termination of the school year, but it is recommended that they be obtained as soon as possible.

After each graduate has received his eight announcements, the leftovers will be available to anyone who wishes to have more.

## Rooting Section Plans Are Made

A rooting section committee meeting was held recently to determine the qualifications for admittance to the rooting sections of the home games.

Lloyd Johnson, chairman of the committee, has proposed that all students sitting in the rooting section wear their rooters caps as a sign of school spirit, and a prerequisite for admittance to the section. Each rooter would be allowed to have one guest to also sit in the section, providing that a guest card was secured through the school.

Seasonal tickets with a reduction in price is also under consideration by the committee.

gratitude for their services given. However, let's don't confuse their awards with those given to athletes—distinguish it by making it a pin or some other device other than a block award.

DALE SWIRE

Sir:

No, as their service is one for the people associated with Hartnell, whereas the achievements by the athletes is one of award and recognition. An award system like this if carried over to politics would reduce humility to recognition and reward in a service that already has its rewards in service.

JIM JACOBSON

Dear Representative:

Why doesn't the Interclub Council use the money taken in from the Carnival for a school activity that everyone in school this year can enjoy? The school is already getting a completely furnished student union, and there is little reason for saving this money for extra furnishings for the student union. I suggest such activities as obtaining a goods speaker for an assembly, giving students free ice cream or cake at noon time, sponsoring a spring Field Day, and the like.

AN INTERESTED  
STUDENT BODY MEMBER

## YEARBOOKS HERE

The 1954 La Reata is expected to be available to the students who purchased them by the time this paper is released.

The publication department is trying to arrange for the distribution of the annuals at the Administration Office this year.

To secure your yearbook you must have your student body card as well as your La Reata sales card stub.

## English Exam Given Here

A Subject A test given by the University of California will be given at Hartnell college on Saturday, May 22, from 9 to 12, in Room 29.

Any student who has failed this same test given by California or who has failed the English A course are not eligible to take the test.

The student who wishes to take the test, if he is a senior at high school, must have a certificate of identification signed by the student and his high school principal, stating that the student is a senior and will probably graduate within one month. Any student from Hartnell must have a certificate signed by Miss Perry. The fee for the examination is one dollar. Students should provide themselves with PEN and INK and some scratch paper. The students who fail the examination and who enter the University before fulfilling the requirement must include the course in Subject A in their first semester's program.

For further information, any English teacher may be consulted.

## Publicity Booklet Being Prepared

A four-page color map is in making and is expected to be ready by summer or late June of this year. The title is "Historical and Produce," and it is going to show where all the students come from.

On the back of the map is going to be two pictures, one of the old adobe building and one of the present Hartnell College with a story behind Hartnell under the former and the story of the present Hartnell College under the latter.

This map is going to be made up into a twelve page booklet with four of those pages containing the map and the other eight pages a story of the graphic presentation of life at Hartnell.

The money was appropriated by the associated students for this booklet and they can rest assured it is money well spent.

## Barbecues Are Being Planned

The barbecues which have been scheduled so far for ending this year are:

May 16, Interclub Council, at Bolado Park.

June 6, Music Department, at Arroyo Seco.

June 13, International Club, 1 o'clock at Sea Clift.

The committee on the Interclub Council consists of Shirley Sherman, in charge of getting the meat, Simona Ikeda, chairman of the salads, and Elinor Evans, chairman of getting the beans. All the representatives who would like to go please come to the meeting on Friday, May 14, and sign the sheet to bring either a salad, beans, or bread.

She: "Say you love me . . . say it."

He: "You love me."

## The Vet's Views

By WHITWORTH

After many inquiries I have found that this column for veterans is completely unknown to more than half the vets attending Hartnell.

Many of the non-vets read this column and find it interesting. I thank them for it. I just wish more vets read it and would let me know what they think of it.

You who are reading this column now please call this to the attention of the vet nearest you. Get them to read it and tell them that this column is here in every issue of the Sentinel.

If there is anything concerning vets that you want to know more about please get in touch with me and I will find out for you. If there are any criticisms or comments you wish to make please leave it at the Sentinel office for me.

I'm not writing this column for credits or assignments alone, I'm writing it for the vets about the vets. I can't do it without interest or response.

I hope by the next issue all the vets will know about this column

## Insurance Rates Rise

This year the insurance cost for each student holding a student body card was \$3.60 per person. Next year the charge will be \$3.70 per person. The coverage will be the same, pay costs for accidents up to \$500.00.

Up to April 15, the Pacific Mutual had paid \$1,472.53 this year for student accidents and injuries. That figure is 74 per cent of the premium paid by the school. The insurance company expects to pay at least 80 per cent by the end of the semester. Mr. Lemos stated that by the looks of some of the statements that he has signed since then he thinks it will be well that, if not more.

Once they've tied the marriage knot, a lot of fellows find they don't have much rope left."

and maybe I'll receive some comments even.

Always the optimist, I thank you now for your interest and response.

## College News From All Over

(The following news items are taken from the latest press release of the Associated Collegiate Press. — Editor's Note.)

Some people are just never satisfied! The annual junior prom at the University of Utah was held in the historic rotunda of the Utah State Capitol, decorated with more than 2,000 orchids flown in from Hawaii), palm fronds, fishing nets, and sailing ships. The decorative effect was that of an island hotel club, and the effect was furthered by having Hawaiian-born Utah students, complete with ukeleles, welcome guests as they arrived for an "Hawaiian Holiday." Each coed was presented with an imported flower lei as she arrived.

Despite the magnificence of the dance, several students were disgruntled because the music was provided by a local band instead of a "big name" one.

A scientific poll, using "a recognized system of polling," has shown that 57 percent of the students at Miami University (Ohio) are in favor of Senator McCarthy and his committee's investigatory activities.

Eighty per cent of the freshmen, 56 per cent of the sophomores, 46 per cent of the juniors and 32 per cent of the seniors indicated that they are "pro-McCarthy."

The poll was taken by a comparative government class at the college. Thirty-four per cent of the students said that witnesses who refuse to testify were probably communist, and sixty per cent said that such was no indication of communist tendencies. Forty-five per cent of the students said McCarthy's methods are undesirable, but justified in view of the Communist threat.

For the first time in the history of the University of Cincinnati, a man has chosen to major in Kindergarten teaching.

This makes the student the only male in a class of about 60 coeds, but the lone man says that he doesn't see anything unusual about it. The student — Thomas G. Salyers — is an R.O.T.C. Colonel who plans to make the army his career.

Fear that their spring show would become "nothing but a girly review," student planners of a campus production at Michigan State College have banned "scanty attire."

Leotards, men's tights and adagio costumes were prohibited from the college's annual "Spartacade" show. One piece bathing suits were accepted, but two-piece suits were not; men's bathing trunks were banned unless they were the boxer type.

Several acts had to be completely revised," according to Jim Buchanan, one of the planners who helped ban scanty clothing. "Many times, groups forget their theme and dress some girl up in a scanty costume just to get attention."

Twenty of the 29 participating groups had designed costumes declared "too scant" by the Spartacade chairman.

"All we're trying to do is consider the future of Spartacade," Buchanan told reporters. "The spirit of the regulations is good taste."

## Water Colorist Tours Far East

Dong Kingman, San Francisco water colorist, left the west recently on his way to Far East for a five month State Department sponsored tour. His work hangs in many of the Hartnell rooms.

The 43 year old artist will visit Japan, the Philippines, Formosa, Hong Kong, Thailand, and India, spending an average of ten days in the principle cities enroute.

Kingman's trip is part of the State Department's cultural exchange program. He will explain how artists work and live in this country.

Mr. Kingman said that he would tell mostly how he grew up as a house boy and became a popular San Francisco artist. He is taking along with him samples of his work, along with a color film of a typical day spent by him in Brooklyn, N.Y., where he is presently living.

The trip is strictly non-political and not for the purpose of propaganda—it is strictly cultural in nature. Mr. Kingman has been abroad before at a young age, and says that he is glad to have a chance to travel again.

## '54-'55 Sentinel Budget Is Cut

The editor of the Panther Sentinel for the fall semester of 1954 will be depressed to find his budget down from the previous \$2,600 to \$1,800.

The present editor of the school paper will be able to produce approximately twenty-three issues by the end of the spring semester. Next year, with only \$1,800 to work with, the editor will be forced to cut his production down to

## Summer Jobs Are Available

Any teacher or student looking for a summer job, might find one in anyone of these places: Resorts Hotels, Dude Ranches, Summer Camps, Business, Motels, Industry, Transportation Companies, Cocktail Lounges, Hotels, Restaurants, National Parks, Working Ranches, and Summer Resorts.

For further information send \$2 for Directory E, National Directory Service, Box 65, Winton Place Station, Cincinnati, 32, Ohio.

Any student interested in working for a Girl Scout Camp and who likes outdoor work may contact Miss Jean Southwick, 1838 San Andres Street, Santa Barbara, California, phone 6885 or 2-6758.

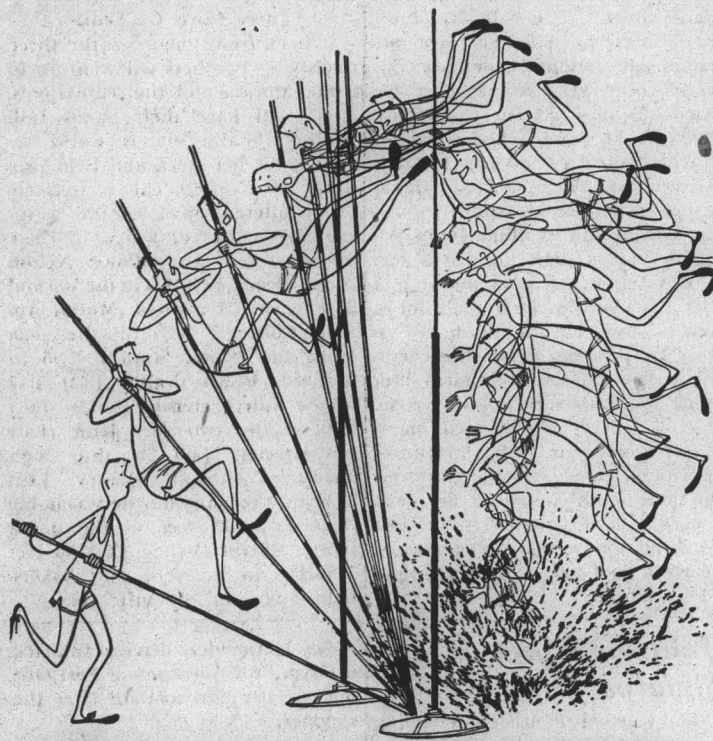

The jobs available are Unit Leaders, Assistant Unit Leaders, and Program Specialists. The first and latter must be over 21 and they are paid \$97.50, while the Assistant Unit Leader must be over 18 and she is paid \$52.50.

The camp is located 6500 feet in the Frazier Mountain area and is called Camp San Emigdio. A six day training course, room, board and transportation to and from Santa Barbara and Camp are part of the compensation. The summer session including training will start June 21 to August 7.

If you can't go to Santa Barbara, you may contact Mrs. Milford Anderson, 10 Evelyn Way, Watsonville, California, for other camps closer to where you live.

Did you hear about the poor old worn out magician who was so undernourished that he had to give up his magic act. He was so weak that his rabbits kept yanking him into his hat.

# Hail The Conquering Heroes! Golden Valley Next

## Split Gives Panthers Crown; In State Quarterfinals Tuesday

Dependable Chuck Dillard threw a brilliant two-hit 2-0 shutout at East Contra Costa Saturday, May 8, to give the Panthers a split in the twin bill and sole possession of the Coast Counties pennant.

It was Coach Jess Regli's second consecutive championship and places the Harts in the state quarterfinals, Tuesday, May 18 against the Golden Valley champs. Yuba and Vallejo are currently tied for the league lead.

The chips were down for the Hart nine and lefthander Dillard in the second contest after they had dropped the first game 3-1 to the lefthanded slants of Bob Borghesani. The close loss placed the two teams with identical records of 6 wins and 1 loss; the club's two aces, Dillard and Max Neal, hooked up in a pitching duel in the deciding contest.

### Harts Score Early

However, Hartnell, after a hitting famine in the first game, struck early in this set-to, scoring the game's only runs in the second frame. Dillard started out the rally with a single, Dick Herman followed with another hit. Morris Boutte sacrificed them to second and third. Neal, in deep trouble, uncorked a wild pitch, Dillard streaking across the plate for what turned out to be the crown-winning run. Richard Adams deftly bunted to squeeze in the hard-charging Herman. Catcher Dix then singled sharply to left but died on base.

Whitey Samarrea gathered both hits off Dillard, his first in the fifth, after four innings of no-hit ball. Dillard picked up another hit to boost his league average to an even .500. The portsider struck out eight Vikings but had a little trouble with his control, walking a half a dozen men.

### Kolstad Loses Close One

In the first encounter, Hal Kolstad toed the slab for the Panthers and pitched a creditable game, striking out 10 opposing batters. However, Borghesani was extremely effective in setting eight men down on strikes, while only passing one.

The Vikings dented the plate first in the third inning on two walks, a wild pitch and two base hits. Hartnell came back with their lone run in the fifth when Don Loke singled, advanced and scored on an error. The Harts threatened in the second frame when leadoff batter Dillard doubled and advanced to third on a passed ball. Unfortunately the run didn't materialize. Adams started a late rally in the last inning when he singled to left; the rally was shortlived as Reno Cornaggia grounded into a double play.

### Harts Pull Triple Play

The Panther infield which has been looking sharper with every game, pulled one of baseball's rarities—a triple play—in the first inning. With Viks on first and second bases, an attempted bunt was popped up down the third-base line. The alert Cornaggia made a headlong dive for the ball which looked like it would drop in. The runners were completely

## 3 Harts All-League

The baseball coaches of the Coast Section of the N.C.J.C., selected three Hartnell players on the All-Conference team, in a meeting held May 10 at Menlo. Selected on the "dream team", were Chuck Dillard, Morris Boutte, and Richard Adams.

Boutte was the only member of the three who repeated as a selection on last year's team. Boutte has been offered a tryout with the Oakland Oaks, because of his smooth fielding abilities.

Dillard has pitched eight straight games without a loss, four of them league wins. He also has two no-hit games to his credit this year. His .500 batting average is the highest on the team.

Richard Adams' fielding and sharp eye for a long hit ball made him the outstanding choice in the outfield.

Noticably missing from the selections were pitcher Hal Kolstad, secondbaseman Don Halterman and third baseman Reno Cornaggia.

## Golfers Dump M.P.C.

The Hartnell golfers registered their first win of the season by defeating Monterey Peninsula College 8½ to 6½ in a match held at Salinas Country Club May 7.

Tom Klingensmith and Irvine Armstrong led the Hart golfers, both scoring 80's.

Dick Hitchcock, Clarence Hiura and Allen Chappel provided ample support and earned enough points for the team to nose out the M.R.C. five.

This morning at 8:30 our golfers teed off at Del Monte with other conference schools to determine the league champs.

fooled, they advanced at full speed. Cornaggia got up and fired to Dick White, shortstop, who took the throw and stepped on the keystone sack for the second out, the man on first ran right into White's tag for the third out and the completion of the seldom-seen oddity.

### Regli Out For Revenge

After the game Coach Regli commended the Contra Costa nine for their fine show of sportsmanship and further stated, "We beat a fine team and an excellent group of ballplayers for the championship." The colorful silver-haired mentor immediately shifted his attentions to the playoff game, May 18 at the Golden Valley champs' diamond. "I rather think Yuba will have the inside track for the title," ventured Regli. "We're looking for a revenge win over the Golden Valley Conference. Last year Grant Tech edged us, 7-6, in the quarter-

## Hartnell Netmen Host Conference Tourney

Hartnell will be the hosts in the N.C.J.C.C. (Coast Section) Tennis Tournament which begins this afternoon and will probably run through Saturday.

The tourney is designed to determine individual and double championships of the league. All-conference colleges except Marin have entered, and each school is authorized to send five singles and two doubles teams.

### Panthers Finish Second

Hartnell finished the season in second place in league standings after humbling East Contra Costa 7-0 on May 8 on the Viking courts. Our sole league loss was early in the season to M.P.C., who won the team championship.

Coach Darwin Peavy, who is the co-ordinator of this tourney, will enter the following men for Hartnell: singles; Warren Tibbs, Don Wright, Dave Ingol, Dick Sargenti, and Troy George; doubles; Tibbs and Wright, Ingol and Sargenti.

## Ten Hart Thinclads To West Coast Relays

Coach Ed Adams will take ten cindermen to compete in the twenty-eighth annual West Coast Relays to be held at Radcliff Stadium, Fresno, Saturday.

Adams will place his charges in three relays and four open events against competitors from 57 junior colleges in the state. In the half-mile relay, Reggie Kenyon, Ken Daugherty, Max Dosier, and Chas. Startwell will all run 220's. Hartnell's mile relay team, second in the conference, consisting of Ken Daugherty, Reggie Kenyon, Richard Avilla and Bill Mix, will also compete. A medley relay quartet will also be entered; Daugherty will run the 440, Mix the 880, Martin the 1320, and Green will finish with the mile. Bob Larson will enter the open 120 yard high hurdles, pole vault and high jump. Marv Anderson, best discus man in Northern California J.C. circles, will also show his wares.

## Dillard Paces Harts As Regular Season Ends

Chuck Dillard won the 1954 Hartnell batting championship at .425.

Player	AB	R	H	RBI	Av.	L.	Av.
Dillard	73	20	31	17	.425	*.500	
Halterman	56	23	23	11	.411	.417

finals match." Should the Reglimen achieve this vengeance they will face the winners of the Central and Big Seven Conference playoff for the Northern California title. This would be a best of three games series. The Southern California champion will then tangle with this winner for the State diadem.

## Anderson Wins Discus Event; Harts Seventh In Northern Cal

Hartnell cindermen Bob Larson, Marv Anderson, and Ron Martin qualified for the California State Junior College Meet to be held May 22 at Santa Monica by placing in the top four last Saturday at Santa Rosa in the first annual Northern California Meet.

The Panthers placed seventh as a team out of a field of 22 schools, representing the Big Seven, Golden Valley, Central Counties and our Coast Counties.

### Modesto Wins Crown

Modesto walked away with first place honors scoring 34½ points. Stockton produced the only double winners in Duane Ludlow and Chuck McGuiness. Ludlow won both the mile and two-mile events while McGuiness grabbed the 100 and 220 yard dashes.

Anderson was the main bright spot for the Maroon and Gold. "Andy" powered the discus out to the 143 foot marker for a first place effort. The tall, well-built weightman has showed this potential all season in practice but hadn't been able to get over his usual 135 plus. At the Conference Meet at Monterey, Anderson did heave the platter 140 feet his first attempt but Reynolds of Menlo surprised with a 142 spin.

### Larson 2nd in High Jump

Bob Larson high jumped 6 feet 1 inch for second spot and ran a 15.9 high hurdle race good for a fourth place. Larson was forced to leave his jumping to run this event. Apparently this race fatigued him as he was unable to even come close to the 6 feet 2 inch mark. Larson had gone 6 feet 3 inches previously this season. However, the pole vault is where Bob was expected to do his best. The best he could top was 11 feet 6 inches, nearly a foot and a half less than he has done.

## Wildcats Upset Champs

The Hartnell Panthers, defending champions of the Coast Counties apparently took their press clippings instead of their bats to Watsonville High School diamond where the Wildcats took the contest by a 2-1 margin May 4.

Coach Jess Regli said the loss is one of the things that happen in baseball but it is no secret that he was upset over the result. Fine pitching and heads-up baseball paid off for the CCAL high school champs.

The Watsonville runs were un-

The big surprise of the day was Martin's fine showing in the mile; he cruised the 5280 foot run in 4:39.3, less than 6 seconds behind the winner. Perhaps the breaking of the impossible four minute mile by Roger Bannister of England last week had an effect upon Martin's running. At any rate he cut 10 seconds off his best previous time.

Loose, lanky Sylvester Green ran the best race of his short two-mile career in 10:34, but found the best it could get was sixth in Northern California. It was his first defeat in the greuling event.

Max Dosier, who had been showing vast improvement in the low hurdles, was defeated by a quirk of luck when he hit the fifth hurdle in a near spill after taking an early lead in his heat.

Bill Mix failed to place in the half-mile as did Ken Daugherty in the 440.

### Three Harts Go South

A week from tomorrow the three qualifying Panthers will venture to Santa Monica and the State finals. They will have their hands full. Southern California is world renowned for her track and field products. This precedent is unlikely to be altered. Some of the better available marks of a few of these athletes are as follows: Nelson (Long Beach J.C.) 9.8 in the 100 and 21.4 in the 220; Hicks (Mount Antonio College) 47.7 in the 440; Houghton (Santa Monica) 1:56 in the 880; Leach (Valley J.C.) 4:17 in the mile; Peterson (Valley J.C.) 9:56 in the two-mile; Jeter (East Los Angeles) 14.6 in the high hurdles; Whiteman (Valley J.C.) 24.6 in the low hurdles; Gamble (East L.A.) 23 feet in the broad jump; Martin (Valley J.C.) 50 feet 7 inches in the shot put; Bakersfield 3:24.6 in the mile relay.

Art Hernandez, driving fullback, is boxing for the Army at Fort Ord, but will turn to football later this summer.

Chuck Olsen, Jim Crain, and Wes McWilliams are all out for the squad at Denver U., where the spring practice has just begun.

earned, however, they did play creditable ball. The Wildcats used a quartet of pitchers which was effective in holding down the Hartnell batting power. An interesting note is that Panther chucker Hal Kolstad lost to his younger brother Harv.
